

ERIE's Restoration Coverage

If part of your home was damaged, would replacement siding be available?

To avoid a future mismatch, consider adding **Erie Insurance's Dwelling and Other Structures Siding and/or Roofing Restoration Coverage** to your home policy.

This low-cost option covers the cost to replace undamaged siding and/or roofing when the same materials aren't available for the damaged portion (though it doesn't apply to mismatches caused by weathering, fading, oxidizing or wear/tear).*

*Ohio law requires any insurer that provides coverage on a replacement cost basis to replace as much of the undamaged siding or roofing as is necessary to result in a "reasonably comparable appearance." The coverage afforded by this endorsement expands your protection beyond what is required by Ohio law.
